IN THE CLAIMS

None of the claims have been amended. The pending claims are included here for the convenience of the Examiner.

1. A method of printing, comprising:
overriding a color designation for printing of a subset of a plurality of printable information units; and
printing the plurality of printable information units.
2. The method of claim 1, wherein overriding the color designation for printing of the subset of the plurality of printable information units includes changing for printing a non-black color designation of the subset to a black color designation.
3. The method of claim 1, wherein overriding the color designation for printing of the subset of the plurality of printable information units is independent of a user input.
